

THE FIXES(TM)

HOW TO PLAY FLAGSHIFT

FOUR CORNERS. ONE SCREEN. ONE MOVE AT A TIME.

1

WATCH THE WHEEL

Only the corner the wheel picks chooses the next move.

2

POINT IN FIVE SECONDS

Choose one glowing circle. You can move straight or diagonal.

3

TAG OR BLOCK

Land on an opponent to send them to prison. A Block sends an attacker instead.

4

RESCUE YOUR TEAMMATE

Reach your team's prison square to bring your teammate back.

5

STEAL THE FLAG

Reach the other team's flag, then carry it toward the halfway line.

6

CROSS MIDFIELD TO SCORE

The flag is yours when your carrier reaches the halfway line.

PLAY HARD. PLAY FAIR.

**CHEER YOUR TEAM. RESPECT EVERY CORNER.
THE LOCKED MOVE IS FINAL.**
