HOW TO DRAW FOX

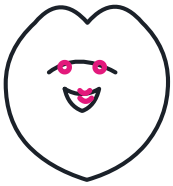

THE DRAWING FIX™ · TREASURE FOX
GRADES 2–4 · 12 STEPS
NAME: _____

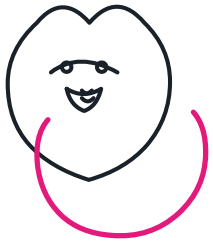

1 Draw the fox head and ears.
Make a pointed head with two tall ears on top.

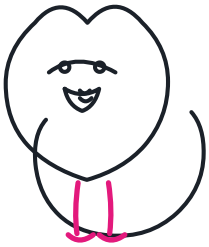

2 Add the face mask and muzzle.
Draw a curved face mask, then a small muzzle under it.

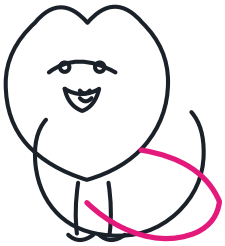

3 Add the eyes, nose, and smile.
Put the eyes on the face mask. The nose sits above a tiny smile.

4 Build the body and chest.
Carry the body down under the head with a soft chest curve.

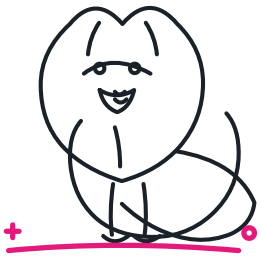

5 Add the front paws.
Draw two front paws resting in front of the body.

6 Add the bushy tail.
Let the tail sweep around the side and curl back in.

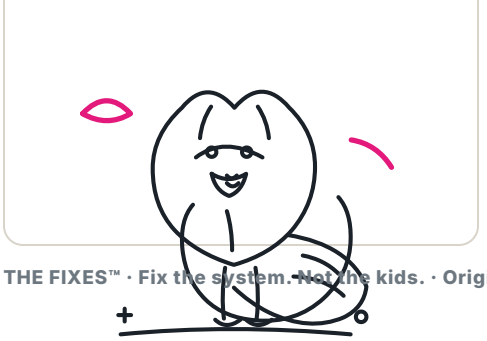

7 Add inner ear and chest details.
Put one short line inside each ear and a fur line on the chest.

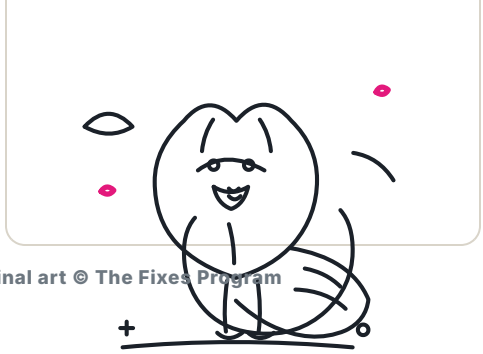

8 Draw the ground and a tiny treasure.
Add a ground line and one small treasure detail near the fox.

9 Add tail patterns.
Put a few curved bands across the tail.

THE FIXES™ · Fix the system. Not the kids. · Original art © The Fixes Program

10 Add a moon or hill behind the fox.
Choose one soft background shape behind the fox.

11 Add two tiny leaves or stars.
Use open spaces so the page feels balanced.

12 Make one part yours.
Add your own treasure, background shape, or pattern.
