HOW TO DRAW
HAUNTED HOUSE

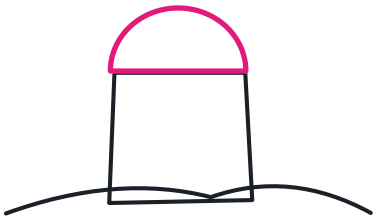

THE DRAWING FIX™ · HAUNTED OBSERVATORY
GRADES 6–8 · 10 STEPS
NAME: _____

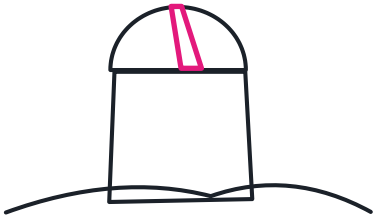

1 Hilltop
Draw a long curved hill beneath the sky.

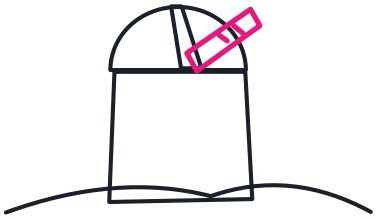

2 Tower silhouette
Build a tall observatory tower.

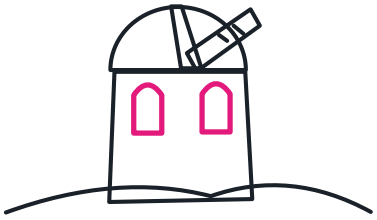

3 Dome
Draw a half-circle dome above it.

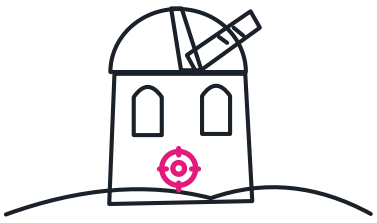

4 Shutter opening
Make a narrow opening in the dome.

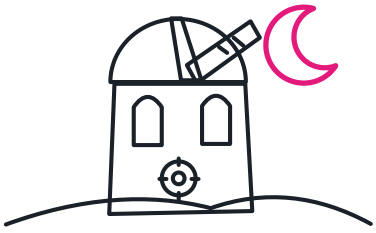

5 Telescope
Build a telescope peeking skyward.

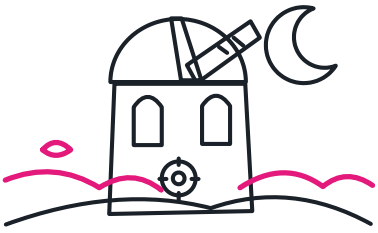

6 Window arches
Draw two narrow arched windows.

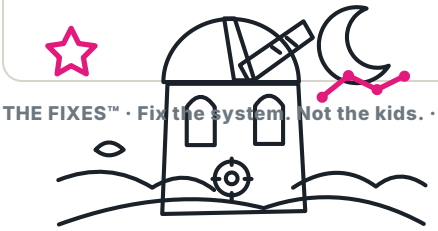

7 Clock gears
Add two small gear-like dials.

8 Crescent moon
Add an original crescent moon.

9 Ghostly mist
Draw layered swirling fog.

10 Constellations

Finish with stars and an unusual constellation.
