# HOW TO DRAW
# PUMPKIN UNDER THE MOON

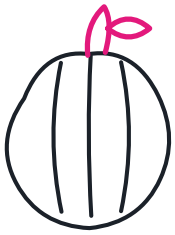

THE DRAWING FIX™ · PUMPKIN MOON WATCH
GRADES 2–4 · 12 STEPS
NAME: _____

**1 Pumpkin**
Draw the large pumpkin body.

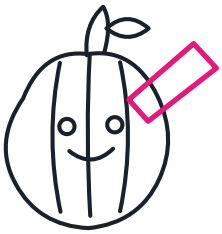

**2 Pumpkin ridges**
Add three curved pumpkin ridges.

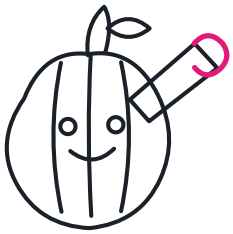

**3 Stem and leaf**
Add the bent stem, then one leaf.

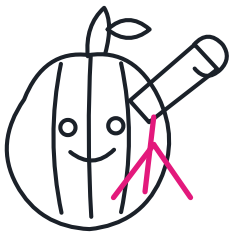

**4 Face**
Add two eyes and a small crooked smile.

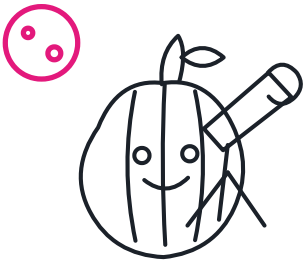

**5 Telescope tube**
Draw the long telescope tube pointing up.

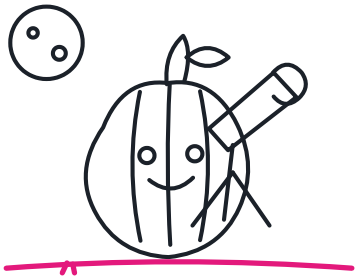

**6 Telescope lens**
Add the round lens at the end.

**7 Tripod**
Add the telescope stand under the tube.

**8 Moon**
Draw a large moon in the upper left.

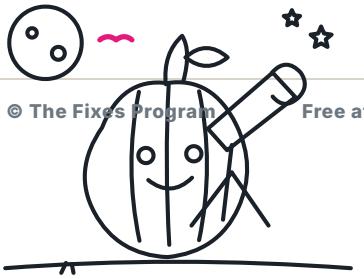

**9 Ground**
Add a soft ground line and two grass marks.

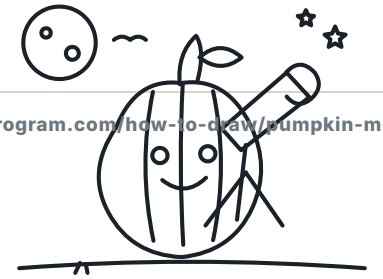

THE FIXES™ · Fix the system. Not the kids. · Original art © The Fixes Program · Free at thefixesprogram.com/how-to-draw/pumpkin-moon/

**10 Stars**
Add a few simple stars in open spaces.

**11 Tiny night visitor**
Add one tiny flying shape in the distance.

**12 Create**
Add one Halloween detail that is completely yours.
