HOW TO DRAW
PUPPY IN A ROCKET

THE DRAWING FIX™ · ROCKET PUPPY
KINDERGARTEN–GRADE 1 · 9 STEPS
NAME: _____

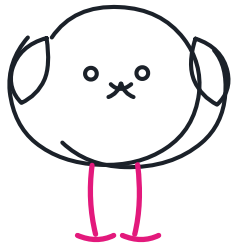

1 Draw the puppy head and ears.
Make one round head and two floppy ears.

2 Add the puppy face.
Put two eyes, a nose, and a smile in the middle.

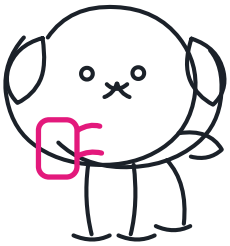

3 Draw the chest and back.
Bring the body down under the head.

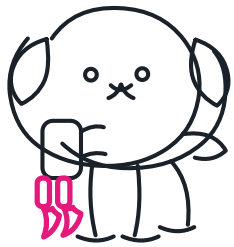

4 Add the front legs and paws.
Make two front legs with little curved paws.

5 Add the back leg and tail.
Put one back leg on the side and a waggy tail.

6 Add the rocket pack.
Draw one pack on the puppy's back with two straps.

7 Add the rocket flames.
Put one flame under each rocket tube.

8 Add stars around the puppy.
Make a few simple star shapes in the sky.

9 Make one part yours.
Add a planet, a badge, or any silly detail you invent.
