HOW TO DRAW
SEA TURTLE

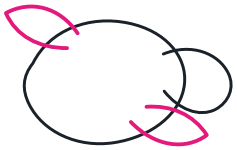

THE DRAWING FIX™ · OCEAN TURTLE
GRADES 4–6 · 14 STEPS
NAME: _____

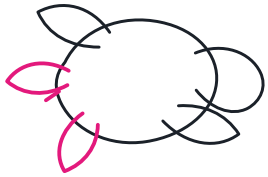

1 Shell
Draw the large swimming shell shape.

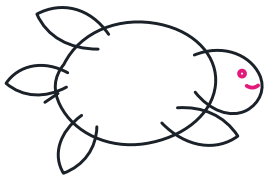

2 Head
Add the head and neck reaching forward.

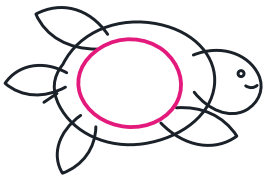

3 Front flippers
Build the two long front flippers.

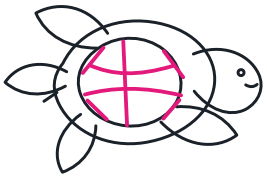

4 Back flippers
Add the smaller back flippers and tail.

5 Face
Add the small eye and mouth.

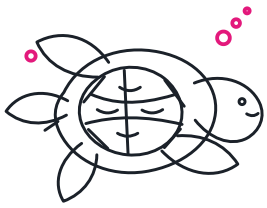

6 Inner shell
Draw the large inner shell plate.

7 Shell sections
Divide the shell into panel sections.

8 Panel details
Add a few short curved marks inside the shell.

9 Bubbles
Place bubbles in several open spaces.

10 Sea plants
Add the tall sea plants from the bottom.

11 Coral floor
Build the sea-floor and coral shapes.

12 Fish
Add the small fish beside the turtle.

13 Current lines
Add two soft current lines behind the turtle.

14 Create
Make one part completely yours.
