HOW TO DRAW SNEAKER

THE DRAWING FIX™ · SKYLINE SNEAKER
GRADES 6–8 · 15 STEPS
NAME: _____

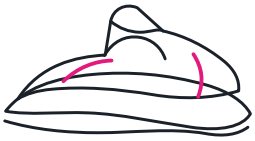

1 Sole
Draw the layered sole and toe shape.

2 Upper
Build the main high-top upper shape.

3 Collar
Add the ankle collar and opening.

4 Panels
Add the toe and heel seam panels.

5 Laces
Place the eyelets and crossing laces.

6 Side panel
Build the large side design panel.

7 Skyline
Add the original skyline pattern and small windows.

8 Sole lines
Add the layered midsole lines.

9 Tread
Add the short outsole tread marks.

10 Heel and toe details
Add the small heel and toe accents.

11 Panel seams
Add the extra seam lines across the upper.

12 Shadow
Add the soft ground shadow below the shoe.

13 Graphic accent
Add one small original graphic accent.

14 Texture marks
Add two short texture marks.

15 Create
Make one part completely yours.
