HOW TO DRAW SNOWFLAKE

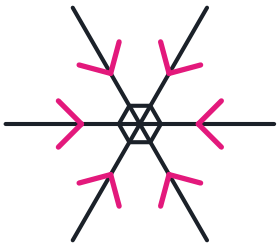

THE DRAWING FIX™ · SNOWFLAKE MANDALA
GRADES 6–8 · 11 STEPS
NAME: _____

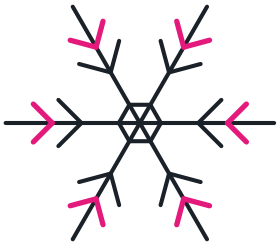

1 Three crossing lines
Draw three long lines crossing through the center.

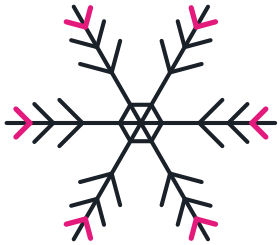

2 Center hexagon
Add a six-sided shape in the middle.

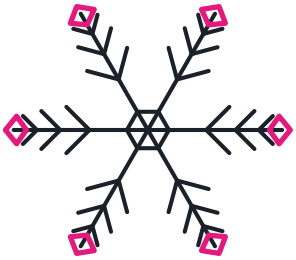

3 First branches
Add the first pair of V branches on every arm.

4 Second branches
Add the second pair of V branches.

5 Third branches
Add the third pair near the tips.

6 Tip diamonds
Draw a diamond at the end of each arm.

7 Gap circles
Add a circle between each pair of arms.

8 Outer ring
Draw a big circle around the snowflake.

9 Corner flakes
Add small flakes in the corners.

10 Center dot
Place a dot in the exact center.

11 Create
Make one part completely yours.
