HOW TO DRAW
WINTER VILLAGE

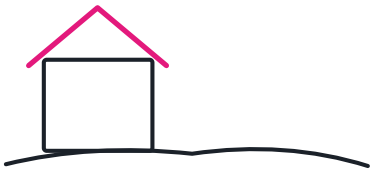

THE DRAWING FIX™ · WINTER LANTERN VILLAGE
GRADES 4–6 · 10 STEPS
NAME: _____

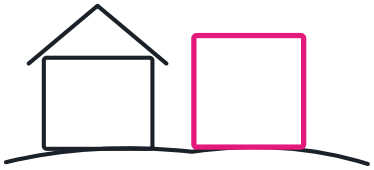

1 Village ground
Sketch a low curved snow drift.

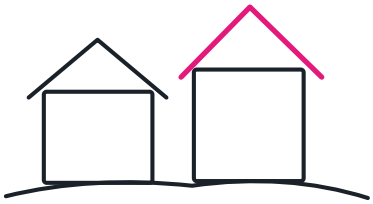

2 First house
Draw the first house walls.

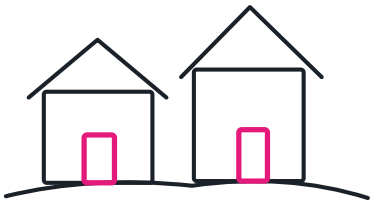

3 First roof
Add its pitched roof.

4 Second house
Place a taller house behind it.

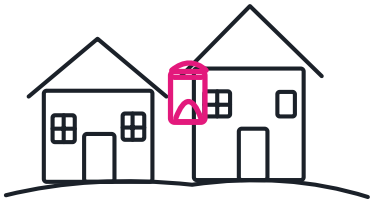

5 Second roof
Give the second house a steeper roof.

6 Doors
Add two doors in the snow.

7 Windows
Add windows and crossbars.

8 Hanging lantern
Draw a big lantern between the homes.

9 Pine and path
Add a pine tree and winding pathway.

10 Stars and snow

Finish with snowflakes and stars.
