FAMILY LETTER

We're learning social skills the same way - together.

Our class is using The Fixes Manners Mixtape to build strong social skills through

How you can help:

- Ask which track your child practiced today.
- Use the same phrase at home.
- Notice and name the skill when you see it.
- Celebrate small improvements and consistent effort.

Together, we fix the system - not the kids.

TIPS FOR SUCCESS

01 Teach one track at a time.

02 Practice it right away.

03 Use the same phrase across settings.

04 Come back to tracks when the tone slips.

05 Keep the rep short. One minute of practice beats ten minutes of lecture.

06 When students miss it, reset and run the phrase again.
